## PEST MANAGEMENT ADVISORY COMMITTEE

THURSDAY, JULY 13, 2006

8:30 a.m.–5:00 p.m.

### ***REVISED* Agenda Sacramento Field Day**

*All times are approximate. Members of the public who would like to attend all or part of the PMAC Field Day must arrange their own transportation.*

#### **Agenda revised to correct directions to Stop 2.**

**8:30 a.m.: Meet at Cal/EPA Building**

**1001 I Street** (corner of 10th and I Streets), Sacramento.  
Bus seating available for PMAC members and invited guests.

**9:00 a.m.: Depart for Stop 1**

**10:00 a.m.: Stop 1: Overview Discussions: Pest Management in the Urban Setting**

**Pleasant Grove Creek, Roseville. Urban runoff water sampling site.**  
Located in Roseville on Woodcreek Oaks Blvd., approximately 0.5 mile north of Blue Oaks Blvd. (where Pleasant Grove Creek flows under Woodcreek Oaks Blvd.), about 0.25 mile north of Woodcreek Oaks Blvd. & Parkside Way intersection. (Access at Deshutes Drive.)

**Focus of the Stop:** Using pyrethroids as a case study, discuss the challenges associated with pest management and regulation in the urban setting, role of research, and preventive strategies designed for urban pesticide use.

**11:30 a.m.: Depart for Stop 2**

**12:00 p.m.: Stop 2: Pesticide Runoff and Publicly Owned Treatment Works**

**Pleasant Grove Wastewater Treatment Plant, Roseville**  
**5051 Phillip Road.** The plant is located west of Sun City Roseville. From the first stop (Woodcreek Oaks Blvd. & Deshutes Drive), take Woodcreek Oaks Blvd. south for 0.4 mile and turn right (west) at Blue Oaks Blvd. After 1.3 miles (with a lot of new construction and possible detours), Blue Oaks Blvd. becomes Fiddymment Road. After another mile, turn right onto Phillip Road. Follow signs to the plant; the plant's main building faces the parking lot.

**PEST MANAGEMENT ADVISORY COMMITTEE  
SACRAMENTO FIELD DAY REVISED AGENDA**

**JULY 13, 2006**

**PAGE 2**

**Focus of the Stop:** Potential impacts of pesticide runoff on treatment plant operation. Discussion of stormwater permits, and a contrast of challenges faced by wastewater treatment plants and stormwater agencies.

**12:45 p.m.: Depart for Stop 3**

**1:15 p.m.: Stop 3: Lunch and Afternoon Panel Discussions**

**North Ridge Country Club and Golf Course, Sacramento.**  
**7600 Madison Avenue** (southeast corner of Madison and San Juan avenues).

**1:15–2:00 p.m.: LUNCH**

Lunch will be available for purchase by PMAC members and invited guests for approximately \$12.

**2:00–3:00 p.m.: Discussion 1: Landscape Pest Management**

**Focus of the Discussion Panel:** Water-quality challenges associated with urban landscape management, including education, training, and integrated pest management programs for urban pest management.

**3:00–4:00 p.m.: Discussion 2: Structural Pest Management**

**Focus of the Discussion Panel:** Challenges and opportunities associated with pest control for residential, public, and commercial buildings. Role of the Structural Pest Control Board and pest control operators.

**4:00–4:30 p.m.: Discussion 3: Golf Course Integrated Pest Management Strategy (walking tour)**

Larry Johnson, North Ridge Country Club.

**4:30 p.m.: Depart for Cal/EPA Building**

**7/5/06**
